### Perfectly change your look in only three steps!

soft Xpansion presents *Style Advisor* – the personal style advisor on your computer!

(Bochum, August 2006)

Style Advisor is the brand-new tool for everyone who likes to change the personal style easier than ever before and in plenty of variations. Just select your dream style from a wide variety of templates, apply it to your personal photo with only a few mouse clicks and finally change the details – there you go!

With Style Advisor, changing your personal style becomes as easy as never before. In only three steps - load photo, mark key points, automatically adjust and apply style – you will create impressive results.

The program comes with a great amount of trendy styles for any event: classic or sporty, romantic or festive, seductive or extreme. Single elements can be changed, e. g. size, position and color may vary, as well as the arrangement of components, different effects and a lot more.

The software includes more than 500 high-quality styles. Besides, Style Advisor offers online updates.

The recommended retail price for Style Advisor is €24.95.
